And now ... a friendly reminder from our Treasurer extraordinaire, Joanne Jeuch:

Please be sure to write SEPARATE checks for each different activity (fundraiser, event, fees, etc.) and for each student. For families with multiple instrumental students, please submit separate checks for each child and for each event. Although all monies end up in the same account, each item is tracked in different cost categories. Thank you in advance for helping us track payments more effectively this way!!

If you have any questions, please feel free to text/call me at 215-962-2439 or reply to this email.

Best regards,
Sue den Outer
